- A. Every Letter and Notice From the Commonwealth of Pennsylvania Department of Public Welfare Harrisburg, Pennsylvania (CHILDLINE & ABUSE REGISTRY DEPARTMENT) Given by Luzerne County Children and Youth Services is to report every and all victim of suspected child or student abuse. (Enclosed is a letter from CHILDLINE that I have requested and gotten. Normally a letter from the Department of Public Welfare on suspected child or student abuse is mailed from Harrisburg, Pa to the person suspected of abuse. Not in file and not at CHILDLINE.**
- B. Every CY-47, CY-130, CY-131, CY- 890. Not found in file.**
- C. Missing video recordings that x-attorneys and I have requested over and over. Agency's reply is that they are still trying to locate them. 4/26/10, 5/3/10, 5/4/10, 5/5/10, 5/17/10, 6/8/10, 6/15/10, 7/13/10, 7/20/10, request all copies of all videos. Even the ones that have been recorded with the year as 2021 during recording.**
- D. Have found several documents that someone from the agency of Luzerne County Children and Youth signed my signature to. (Copies enclosed - because the Luzerne County DA's Detectives that I went to file charges on stated to me "That Children and Youth can sign my name to any document they want." I would like to see a court document that I gave power of attorney to Luzerne County Children and Youth to sign my name. I know that I have not. When I do get my complete files from Luzerne County Children and Youth Services and I find my signature signed to documents I would like the court to press charges on and every signature that is not mine. Signing someone's name to any document is a criminal action.**

- E. Several papers from the agency states that my address on 3/18/2010 is 47 Plantation Rd. Wapwallopen Pa. 18660. Dated and signed by Danica Fosko Stating Caseworker. (47 Plantation Rd. On top of ACCESS TO STATE POLICE RECORDS DATED 3/18/2010. Enclosed is my criminal report - You can see that my address at the time was still 28 E. Court, Lewisburg, Pa. 17837 Dated 3/18/2010. I will not take no more excuses nor clerical errors. Under Title 42 U.S.C. Section 671 (a)(6) of State Plan for foster care and adoption assistance: (a) Requisite features of State Plan. (6) provides that the State agency referred to in paragraph (2) (hereinafter in this part referred to as the "State Agency") will make such reports, in such form and containing such information as the Secretary may from time to time require, and comply with such provisions as the Secretary may from time to time find necessary to assure the correctness and verification of such reports; I have wrote for it to be corrected. Agency states they don't need to correct nor verify the information.**
- F. Request State Police Statements of Children being in any kind of Danger when came to Plaintiff address. Along with search warrants that was asked for on Dates of March 18, 2010, March 26, 2010, April 15, 2010, and May 13, 2010. I have requested and brought up in Family County and Agency's Attorney and Luzerne County Children and Youth Workers as stated in Court "I don't know that law." Under Title 42 U.S.C. Section (a)(15) effective October 1, 1983, provides that, in each case, reasonable efforts will be made (A) prior to the placement of a child in foster care, to prevent or eliminate the need for removal of the child from his home, and (B) to make it possible for the child to return home;**

- K. Department Of Child Welfare has stated " THE WAY THAT THE COUNTY DESCRIBES THE RELATIONSHIP BETWEEN HER SISTER AND HER MOTHER'S BOYFRIEND DOES NO MAKE SENSE." (I don't nor have I had a boyfriend. The person this county is describing is an x friend of the family. He never lived with us and may understanding of a boyfriend is someone you have kissed or had a sexual relationship with; I never did. Friends don't do that.) Financial Information on one child that is now an adult and out of the services; same department has SSI \$430.00 Claim # 190749652 and payee is Luzerne County CYS. Still to this day can't get SSI in adults name. I would like to know why the Agency of Children and Youth are still getting SSI for an individual not in their custody nor care?**
- L. Would like to know why Plaintiff can't place my minor children on my health insurance coverage? Would like to know why agency has Plaintiff only making \$600.00 a month? - M. Request all reports made to the Luzerne County Commissioners and Human Recourses by Plaintiff when Plaintiff found marks and burn marks on her children, being assaulted in front of guests in plaintiff home, request what that commissioners and human recourse has done? Plaintiff's children's uncle Chief of the Iroquois and have my children go to pow wows in Forksville Pa held by the Delaware Nation because the nation invited us and talked about all the great things that their uncle has done. (No myself and children are not licensed and will never be until every American is for their culture and beliefs. My grandmother was taken By social workers and government off of the Native American Reservation and adopted out. The VIA never keep good records. Brown's Law was to be destroyed on the way it targeted Native American Culture.)**

- T. Just because Plaintiff is a single parent doesn't give the agency the right to state Plaintiff is high risk (This is discrimination against single parents). Yes, Plaintiff is a mother of five living children, one teen the agency has down as pregnant under Constitutional Law is an adult, one teen was pregnant and never told Plaintiff the trust around or about Feb 15, 2010. Then the teen stated to Plaintiff where it took place. It was not in Plaintiff's house and without Plaintiff's knowledge. Both of Plaintiff's children was getting parental care just not in Luzerne County. Three children in counseling; because Plaintiff seen signs of depression, anxiety, one child a fire bug, and artificial cut marks. Plaintiff made a deal with Plaintiff children. Agreement was that they go to counseling; if not and Plaintiff sees another mark, burn marks on walls, any signs of depression or anxiety, Plaintiff will have to admit child to BB2 for help. This is a sign of a parent that cares about Plaintiff's own children.**

Plaintiff has asked to meet with him through his secretary. Never got a phone call nor letter from Judge Lupus.**
- W. Request an explanation from Brien Steve on why he took Pictures of property Plaintiff is not renting and added to Plaintiff's file? Own of the property never gave Brien Steve permission to take pictures of his property. Brien Steve was only to be on the property Plaintiff is renting. An explanation Why one child in the custody and care of the agency went to Brien Steve about being threatened? Why did he ignore the child?**

- X. Plaintiff would like an explanation by the Director of Luzerne County Children and Youth Services why he doesn't check to Make sure that his workers are doing their jobs by law that is mandated for the agency?
- Y. Request by Law Enforcement on every family member that does not have Plaintiff's children. Agency states they have reports of abusive family members. Plaintiff request to see it through proper trained law enforcement not by a agency that has never been properly trained to investigate a crime.

I hereby lodge an official complaint against [Sr. Judge Charles Brown Jr.] who is licensed in the State of [Pennsylvania], and is therefore subject to the [Pennsylvania] Office of Disciplinary Counsel.

**Nature of the complaint:**

**[Sr. Judge Charles Brown Jr.] Engaged in unethical behavior as detailed below:**

- 1) June 7, 2010; Added into evidence a letter that Danica Fosko stated the I (Judith A. Bonawitz) send to her. The letter is not signed by Judith A. Bonawitz or dated by Judith A. Bonawitz was allowed to be entered as evidence against Judith A. Bonawitz.
- 2) Sr. Judge Charles Brown Jr. asked Danica Fosko and Lauren O'Brien three times why Judith A. Bonawitz can't have her children. Danica Fosko and Lauren O'Brien did not answer the Judge's questions. Danica Fosko and Lauren O'Brien should have been held in contemned of court.
- 3) Sept 21, 2010; the information that I asked Children and Youth to bring to court hearing through a subpoena was not shown. Copies of subpoenas are enclosed.
- 4) Subinas to have my children testify on my (Judith A. Bonawitz) were disregarded. Along with other eye witnesses that came in on their own.
- 5) Several doctor statements, mental health testing statements were also, disregarded.

- 6) I could not hand in any evidence what so ever.
- 7) Cases that have already been investigated in other counties and was dismissed by Judge in Union county court system was brought up. By law this is known as double jeopardy.
- 8) When you have already been found not guilty in the court of law. Another court in another county can't press acute the person again.
- 9) Cases in Snyder County and Union County were not destroyed by Act 127. Copy of this act is enclosed.
- 10) I was denied my rights by the constitution to defined myself in the court of law. Some of the guidelines for Family Court, Children and Youth, and Report of Abuse manuals have been enclosed.
- 11) Also, a letter and guidelines for guardian ad litem is also, enclosed and highlighted.
- 12) Evidence against me (Judith A. Bonawitz) was handed into court without my (Judith A. Bonawitz) signature or date. A copy of letter that was handed into court as evidence. The copy I (Judith A. Bonawitz) was handed to me (Judith A. Bonawitz) by Hayward.
- 13) A copy that I did hand to Children and Youth is enclosed with my (Judith A. Bonawitz) signature and date on it.
- 14) Judges refusing to allow access to court records, also that C/Y policies must be in accordance with state and fed law, they cannot require you to go to their people, where in state or fed law does it state that C/Y or the state dictates who you must go to. Along with Amendments that have been broken in court and outside of court by local social services.

**Date of Violation:** June 7, 2010, Sept 21, 2010; also, when I (Judith A. Bonawitz) went to see information in my (Judith A. Bonawitz) file through the information act. I (Judith A. Bonawitz) was denied. Then found out the Children and Youth through Luzerne County Court System filed my (Judith A. Bonawitz) under Criminal Division and not civil division. I (Judith A. Bonawitz) have never been arrested by any one in Luzerne County. By law the only way a case can be filed in Criminal Division is if the person in question has been arrested in that county.

**Other Relevant Information:** The judge also, stated several things off the recorded that I (Judith A. Bonawitz) should have never been taken off recorded during a hearing. The judge should have pressed charges on Danica Fosko when he (Sr. Judge Charles Brown Jr.) did find out that she (Danica Fosko) did assaulted me (Judith A. Bonawitz) in my (Judith A. Bonawitz) home. Carl Taney had to remove Danica Fosko from my (Judith A. Bonawitz) body twice. Fran L. Clark was also there to see this. David A. Clark was standing outside my (Judith A. Bonawitz) home when Danica Fosko and another worker pushed me (Judith A. Bonawitz) out of their way to enter my (Judith A. Bonawitz) home.

When the Judge found out that I (Judith A. Bonawitz) did try to file a private criminal complaint form with a DMJ John Hassey. DMJ John Hassey stated to Carl Taney and to I (Judith A. Bonawitz) that I could not file that complaint on Danica Fosko because she workers for Children and Youth. I (Judith A Bonawitz) would have to go to her (Danica Fosko) work to file a complaint.

Sr. Judge Charles Brown Jr. stated to everyone in the court room to have all their information on his desk by Oct 5, 2010. All paperwork was not handed in on time because of John Bellino. No evidence that I have abused my (Judith A. Bonawitz) children. I (Judith A. Bonawitz) have done my (Judith A. Bonawitz) best to protect my (Judith A. Bonawitz) children when I (Judith A. Bonawitz) found out by my (Judith A. Bonawitz) children. Now children and youth through the court system have legally kidnapped my (Judith A. Bonawitz) children by not following the law and my (Judith A. Bonawitz) Constitutional rights along with eyewitnesses. There is also, a DVD to watch that my (Judith A. Bonawitz) children wants to kill themselves, workers putting down things that they (Judith A. Bonawitz children) have stated to me (Judith A. Bonawitz) during a visit. You will also, see my (Judith A. Bonawitz) children having an emotional brake down with eyewitnesses. Statements of some eyewitnesses are enclosed. There is an ongoing criminal actions done by Children and Youth, along with Hearing masters, Guardian Ad Litem, Court Judges Charles Brown Jr. in Luzerne County. Everyone needs to be investigated by an outside source before more families and children get hurt in more ways than one.

I am sure the Natural Mother (Judith A. Bonawitz), Mr. & Mrs. David A. Clark, Carl Taney, and Brad Delawder will find this issue worthy of investigation, and I look forward to hearing from you as to the disposition of this matter. Please do not hesitate to contact me if you require additional information or have any questions.

- 12) On May 4, 2010: John Bellino along with Luzerne County Children and Youth Workers stated to children that Children and Youth are going to keep all four of them for six months to a year because your mother is unfit as a parent. Children stated my mother is nice, loving, caring, and she would never hurt us in any way and not in the way you are stating. The children were crying and screaming walking down the halls of the court house. Do have eye witnesses that have also; seen the same thing.
- 13) Helping to stop witnesses and eye witness of testafying on natural mother's behalf by stating: They will all say the same. Let us not waste no more time.

**Date Violation Discovered if different from above:** Was at all hearings, was at the hearing to hear Lauren O'Brien telling Judith A. Bonawitz that her daughter [REDACTED] was rapped and never stated that he talked to [REDACTED] about what happened to her in foster care. John Bellino went along with Luzerne County Children and Youth Workers without

even thinking about the four minor children's needs, mental health, and well being. Did not fight for the rights of all four children. John Bellino did not bring up the markers found on the children in foster care or the rape of [REDACTED] guardian ad litem should care about the children that he is to work in the best interest of the children.

**Other Relevant Information:**

A Guardian ad litem are paid by state money to work in the best interest of the children. He has not fight for the rights of the four minor children in question. So far he has allowed Luzerne County Children and Youth make up his mind for him. (John Bellino has winkled, nodded head, and looked at Luzerne County Children and Youth Services for answers.) This here is also; known as a conflict of interest in the needs of all four minor children stated in Pa Law for Juvenile Rights, Civil Rights, and abusing the rights of all four minor children in question.

I am sure the Natural Mother (Judith A. Bonawitz) Mr. & Mrs. Clark, and Carl Taney will find this issue worthy of investigation, and I look forward to hearing from you as to the disposition of this matter. Please do not hesitate to contact me if you require additional information or have any questions. My four children have stated to me (Judith A. Bonawitz) during visits on how they are being treated. Also; what Luzerne County Children and Youth has threatened them with to have them lie so they can come home. All four of my children stated they are not going to hurt me like that and lie for Luzerne County Children and Youth. All four of my children are tired of the lies, harassment, and abuse from Foster Parents and Luzerne County Children and Youth to get them to state things that never happened. I have eye witnesses to this also, in the court house, family visits with some family members, and a birthday party.

Dear Gary Swomen:

Nairish for taking out time to meet with me. I also enjoyed that your partner as your third party witness and your disregard for my rights that are granted by the Constitution has been violated even by you. In the Amendments of the Constitution of the United States of America does state a third party of your own choosing. NO WHERE in the Constitution States an attorney as a third party. If you forget Attorney / Lawyer is part of the miranda rights. I don't enjoy being lied to. I don't enjoy anyone that tries to conspire against the rights of the people and for the people. I'll come straight to the point. Yes, Luzerne County Children and Youth Services are removing/taking children through the Family Court Judges to do an investigation. Luzerne County Children and Youth Services are taking children only on allegations. Children and Youth Services are not trained properly to investigate any kind of allegations. I came to you because laws have been broken and ongoing criminal actions by a local service (Children & Youth) that is to go by the law and are not. I came to you for help also to print out several items that when I talked to a judge and found out that Children and youth just can't sign your name to any document that is call fraud! Children and Youth just can't use your child's name on any Court document no matter if it's civil or criminal without your consent - That law is found under Title 18 Pa. Cons. Stat. § 3206. What you have done to me also is found under Title 18 Pa. Cons. Stat. § 903 - Criminal conspiracy. Everything that Children and Youth does from A to Z is to be public information and it's not. I had to find my old manuals to find what I was hiding for. Children and Youth are also violating Title 42 USC Section 1983 along with your help. You can also go to the ACF + HHS to find out that the ACF AWARDS 2 million for Diligent Recruitment of Families for Children in Foster Care System, the HHS AWARDS 17,896,000 In Adoption Bonuses, AWARDS 200,000,000 in High Performance Bonuses, AWARDS 39 million to states for increasing adoptions, ~~also~~ extra 4,000.00 AWARDED for every child, and 2,000.00 AWARDED every special needs child. Law states: under title 18 USC 1201-(a) Whoever unlawfully seizes, confines, instigates, decoys, kidnaps, abducts, or carries away and holds for ransom or reward or otherwise any person, except in the case of a minor by the parent thereof, when

(c) If two or more persons conspire to violate this section and one or more of such persons do any overt act to effect the object of the conspiracy, each shall be punished by imprisonment for any term of years or for life.

(f) In the course of enforcement of subsection

(a)(4) and any other sections prohibiting a conspiracy

or attempt to violate subsection (a)(4), the Attorney General may request assistance from any Federal, State, or local agency, including the Army, Navy, and Air Force, any statute, rule, or regulation to the contrary notwithstanding.

(g) Special Rule for Certain Offenses Involving Children.

(A) the victim of an offense under this section has not attained the age of eighteen years; and

I) A parent

II) A grandparent

III) a brother

IV) a sister

V) An aunt

VI) An uncle; or

(VII) an individual having legal custody of the victim; the sentence under this section for such offense shall include imprisonment for less than 20 years.

(h) As used in this section, the term "parent" does not include a person whose parental rights with respect to the victim of an offense under this section have been terminated by a final court order.

I still have my parental rights of my children. Pennsylvania children and youth services in 2010 has been AWARDED 2,775,353.00 for adoption and if you go into counties of Pennsylvania you will find that Luzerne County Children and Youth Services is number 3 on the list in Getting AWARDS FOR OUR AMERICAN CHILDREN.

This also falls under 18 USC 1202 (a)(c) and under 18 U.S.C. 1203 (b)+(A)

The Family Court Judges and all the third parties that children + youth services uses falls under Title 18 U.S.C. Section 242, Title 18 USC Section 245. Federally Protected Activities, Title 18 U.S.C. Section 246, along with several ~~Amendments~~ Amendments violated.

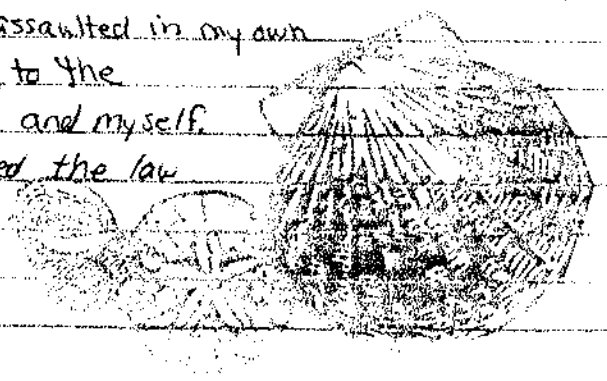

I have been stalked before and after my children have been taken that falls under 18 Pa CS 2709.1, ongoing harassment to my family and I that falls under 18 Pa C.S. 2709, 18 Pa C.S. 7507.1 Invasion of privacy, and even ~~assaulted~~ assaulted in my own home.

Also No I'm not taking anything or talking to the agency about what has been done wrong to my children and myself.

Because nothing is done to the ones that have violated the law and violated me in front of guests in my home.

The job of law enforcement is to protect the public.

That also means my family and I. Just not

a local service (children and youth) only. Or have you forgotten that? You are only getting a copy of this letter. I'm sick of the conspiracy in Luzerne County that I -myself don't know whom I can trust. This copy is yours, the other copies of this letter will be mailed out to others that I can trust. With all eye witnesses, reports, even down to using hate words ~~to~~ on someones beliefs, along with terrorist threats that Children & Youth workers said to me. I never took abuse from my x-husbands and I'm not taking any more abuse from a local service. I have found over 38 criminal charges that Family Court and Children and Youth Services has violated.

Judith A. B.
